

FUSA-HCC BOT Bargaining Meeting
March 28, 2007
1:30 p.m.
Dale Mabry, Tech Building 409

In attendance were the administrative team members: Mark Levitt, Craig Johnson, Sue Flaig, Carlos Soto, and administrative support Karen Griffin and Donna Miller. FUSA bargaining team: Michael Moats, Alex Ambrioso, Liana Fox, Tammy Higson, Eric Joost, Mara Manis, Maribeth Mobley, John Whitlock, Kimberly Williams, and UFF organizer Ed Mitchell.

Administration presented its proposal for Article 6, primarily addressing the issue of reference to the fourth year in 6.16: have tenure candidates submit portfolios in the fall term of the fourth year, thereby finishing the process in February of the fourth year.

FUSA responded that the problem in the tenure process is not the time factor but the differing expectations about the portfolio and suggested an appendix be added to the contract, providing a suggested outline/organization. FUSA presented its proposal for 6.16 and 9, stating that the two proposals should be discussed together.
